"Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me."
Matthew 25:40 (NRSV)

"ယစံးဘဉ်တဲဘဉ်သုတိတိအံၤ, မ့ၢ်သုမၤဘဉ်ပုၤအဆံးကတၢ်တဂၤလၢယဒိပုၢ်ဝဲၢ်အကျါအံၤဒီး မ့ၢ်သုမၤယၤလီၤ." (မးသဲ ၂၅:၄၀)

Greetings

Due to natural disasters and political unrest, members of the associations are facing many difficulties. Children are the ones who suffer the most from such difficulties. There is no right to attend school well and no right to acquire good education. Some of the children have become orphans and continue to struggle with their lives depending on others.

There are many people around us who are struggling and need our help. Jesus said, "You will always have the poor among you, but you will not always have me." (John 12:8) And Jesus also said, "I tell you whatever you did for one of the least of these brothers and sister of mine, you did for me." (Matt 25:40) Because of this, it is necessary to show love to the least, as we do it to Christ. So, just as you gave your best and helped those who needed treatment in the past, we would like to encourage you to continue giving in the future.

So, in the past, just as you did your best to help those who needed help, in the coming times, we would like to encourage you to continue giving together in the future. When working together, we can participate in many ways. According to the guidance of the Holy Spirit, you can participate either by praying, advising and donating. The Bible says, ***"Love your neighbor as you love yourself." (Mark 12:31)***

We would like to express our special thanks to all the donors from local and abroad who have been supporting our orphan care works. The Lord Jesus Himself said, "Give and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with measure you use, it will be measured to you."

PROLOGUE

By the grace of God, despite this difficult time, we are able to continue our orphanage care program. Due to the current evolving situations, 4 orphanage care centers out of 9 were relocated due to safety and security concerns. However, the almighty God is still with us, and we now have one more orphanage care center, named "Anna Cura", which is under the Care and Counseling Department of the Yangon Karen Baptist Home Mission Churches Association.

These orphanages are cared for by the churches affiliated with the associations and the people who are willing to contribute. Karen Baptist Convention's Care and Counseling Department also helps and cares for them.

Children from our orphanage care centers could learn based on the learning opportunities available: some are studying Online via Zoom platform, some are in in-person on-campus learning, and some are attending vocational training schools. They are also required to learn for their spiritual growth.

We thank each and every one who is willing to help, including the communities and organizations that donate and support for our orphanage works. Furthermore, we are grateful to the teachers and co-workers who offer their service to give warmth and care for the orphans. Luke 2:52 says, "And Jesus increased in wisdom and stature, and in favor with God and man."

May the Lord bless each and every one of these orphans so that they will be able to feel the love of God, His power, grace, salvation and become great and precious individuals for the glory of God.

Greetings

By God's grace, the things we do every day are only because of God's guidance. All the members of the Orphanage Committee of the Karen Baptist Convention Care and Counselling Department have been selected for God's good work, and it is only because of God's grace that we are able to work together successfully in God's good work. For various reasons in our ministries, there are some issues and some inconveniences, but by the grace of God, we are allowed to continue working in God's good work with good health.

After reviewing our activities every day, we can see that there is more success than before. It is only because God is with us. In the same way, we have the support of church members that we love and respect, each of their prayers gives us strength. The leaders and responsible persons of the Karen Baptist Convention, in spite of the difficulties that all members in our Karen Baptist Convention are currently experiencing, will overcome everything because of the name of God. I am sending you a prayer that God's blessings may shower upon you all.

Greetings

May the Grace, Peace and Love of the Lord Jesus Christ be with you all. I praise the name of God that God will lead us in the coming year 2024, just as God has guided us in the past years. No matter what we face in life, we do not lose hope in God, but believe in him. Orphanage Care is one of the six branches of Care and Counseling Department of Karen Baptist Convention (KBC) and it is our God-given obligation to take care of each and every orphan together in Christ Jesus to make their lives beautiful.

As we did in the past, we will do in the future to make the youngest ones prosperous, full of knowledge and skills, filled with the Holy Spirit, and attain achievements in front of God and everyone. “Bear ye one another’s burdens, and so fulfil the law of Christ.” (Galatians 6:2)

As well as making plans for the children to improve in their education, they also made plans for a monthly worship service to strengthen them spiritually. This worship service was performed at six o'clock in the evening on the third week of the month with Zoom Application. A child from each school led the worship program and we invited the leaders to give a speech of encouragement.

Htee Moo Htaw Ber Orphanage Care Shelter

Firstly, we thank God for everything done for us so we have been able to overcome the pandemic. In 2023, there are eleven children in this orphanage shelter and we have two staff members, one for caring and arranging, and the another for catering service. Traditional schools had had a hard time but we could find ways (English Speaking, Online Class) for them during this pandemic time. Two children were able to successfully complete the trainings (motorcycle workshop training and sewing training). We would like to thank our KBC Care and Counseling Department for their arrangement for our shelter to fulfill the need. We also would like to thank people in other lands and in Myanmar and those who are supporting us and all those who always pray for us. We would like to thank (F.O.B.) family who always support our shelter. May the Lord shower His great blessings abundantly upon you all and may you all receive the grace of God.

Hpu Saw Bu Orphan Care Center

As we are ones who believe in the name of Jesus Christ, He has assigned us to do His works until their completion. “Verily I say unto you, inasmuch as ye have done it unto one of the least my brethren, ye have done it unto me.” (Matthew 25:40). Today, we thank God for bringing us till this day. If we look back, we faced difficult times but God made our days easy and beautiful. We especially give thanks to God for being with our Hpu Saw Bu Orphanage even though we faced hard times. We have (125) students in total with (68) women students and (57) male students. One of the girls among them is learning to be ECCD social worker. Moreover, a student named Saw Eh Gay Htoo is also learning to be a barber right now. If we dig into the past, we have done various kinds of works. As prestigious seniors encourage us, and we have successfully built the dormitory for boys on (23.3.2023). Besides, we have craft training during the summer holiday, and the children are learning those lessons taught by the instructor Thramu Sally, who is effective and it is beneficial for our orphanage. We have ploughed and harrowed the field as well. In addition, we have a plan to celebrate the 25th Jubilee from the third to fifth, May, 2023. Likewise, we have arranged to build a new building for the children who are in need. Particularly, our center has morning and evening prayer time, and the Bible study once a week, the chain prayer once a week, and we also do fast and pray with our colleagues on every first day of the month. Hence, we believe and know that God is with us and takes care of us up till now.

Therefore, we thank God for his blessings and for being with us to this day. Moreover, we are grateful to each and every one of the leaders from Karen Baptist Convention, Care and Counseling Department that you all enquire our conditions from time to time and do not hesitate to help us. Also, we express our gratitude to Friends of Burma (FOB) and Other Communities for helping us every month. Furthermore, we are thankful to the ones who are either in the country or overseas for supporting our center. Likewise, our children always remember you all in their prayers to be healthy, and we wish you to be able to do the works of God till you reach your goals in your lives.

Paradise Orphanage Care Shelter

"The Lord has done great things for us; and we are glad." Our Paradise Orphanage was established on May 5, 2000 and has been standing well until 2023 by the grace of God. We are very grateful to the leaders of the Pathein Myaungmya Association, Area and KBC, who not only support us but also pray for us. We would also like to thank the FOB organization leaders and donors who support us every month. Our heartfelt thanks go to friends, local donors, foreign donors and churches that support us. Thanks to your support, our orphanage has been able to survive. Because of your support, some children have become leaders in God's work, and some are working in other workplaces.

In 2023, there were a total of 53 children in our orphanage__ 26 boys and 27 girls, and 5 staff members. There are (38) children attending government schools. In 2023, 12 more children arrived. There are (3) young people who are studying at Bible school. After studying pediatrics as a nurse aid, one girl now works at a private hospital. A youth undergoing pre service primary teacher training is now waiting to enter the public-school workforce after completing her training. During the summer vacation of 2023, there were summer Bible classes, music classes, and English classes for children. During the summer school holidays, some of the children also did crochet work and shirt branding. Doctors and hospital staff from Matthew Hospital conduct medical checkups once a year.

By the grace of God, our little orphanage is running well only because of your support. It is our prayer that God's blessings will fall upon you and that you will be healthy. I earnestly request you to pray for our orphanage. May God bless you all.

New Eden Orphanage Care Shelter

Firstly, we praise God for His bountiful blessings and His mercy for keeping us through every moment of our lives. We are grateful to the KBC Care and Counseling Department and its executives for providing support and instructing us. We would like to thank FOB and every individual who supports us from abroad; everything has gone smoothly due to your generosity.

In this 2023, there are 17 girls and 15 boys, 32 children in total, and 3 staff members in our care shelter. The children are all healthy. They attend government basic education school. From March 8 to May 13, they learned violin and piano lessons. For mental and spiritual development, we provide them with Sunday school, fast and pray program, and Karen language lessons. Thank you all, and may the Lord keep blessing you.

Hpu Sein Htwa Aung Orphanage Care Shelter

Firstly, by God’s grace, we have been able to live well until now in 2023. Although we face many political difficulties and other difficulties, God's grace is always good for us. Special thanks to KBC and department leaders and church leaders for their love and their helping to run the work well. Special thanks to all who deserve thanks.

There are two children living and studying at our orphanage. Their names are (1) Naw Lah Gay Htoo (Grade-10), and (2) Saw Say Plel Htoo (Grade-2). We have plans to accept more children next year. We have a plan for them to learn basic keyboard lessons for a month. And also, we have planned for Naw Lah Gay Htoo to do the embroidery course. We have found that the course is very beneficial for children.

On (11.10.2023) four more children arrived. (1) Naw Lin Lea Win, (9) years old, (2) Saw Aung Yar Zar Win, (6) years old, (3) Saw Hein Mya Win, (3) years old, (4) Saw Hein Htat Win, (3) years old.

By the grace of God, we got opportunity to build a new house for boys. In May, 2019 we could start to build this house. Although we faced with diseases and political difficulties and problems, this building was successfully completed on (9.5.2023).

We would like to thank (F.O.B.) family who are supporting our shelter. We would like to thank our KBC Care and Counseling Department for arranging our shelter through advice, donation and prayer. We also would like to thank our association leaders and church leaders and those who are supporting us and all those who always pray for us. May the Lord shower His great blessings abundantly to you all.

Chit Myit Tar Orphanage Care Shelter

By the grace of God, we Chit Myit Tar Orphanage Care Shelter established since 1996 to nowadays. Because of God's love and God's touch, our orphanage shelter is still alive today because of the love of those who participated with love.

According to the school's 25th anniversary celebration, the number of children living our orphanage shelter is no less than 127. Some of these children have become leaders as like some are the ministers in the churches as leader, some are the government staff, and some are in the organization and association as the staff and leaders.

The Shelter is now 27 years old. In this year, there are 32 children and 4 collagenous. Because of the war, they had to leave the Dee Maw Hso, Kayah State, where the orphanage shelter located, and was living in Taungoo. The children are currently attending the mission home school program organized by Upper Myanmar Association. We cannot predict what will happen next year, but the promise of Jesus Christ we stand to survive.

Myit Tar Yeik Mon Orphanage Care Shelter

Firstly, we give thanks to God for blessing our Myint Tar Yint Mon Orphanage center. We are in difficulties but we still can go well by God's grace. This year, we have 12 students, 8 girls and 4 boys. We also have 3 Co-workers. We are in different place because of the war. We are not doing special but we are doing what we have to do. The students are studying well in the government schools. They all are also healthy by the grace of God.

We are graceful to the leader from Care and Counseling Department, KBC and the all the members in FOB who are helping and supporting that brings a lot of benefit to our center. We wish you all that may the Lord be with you and bless you, and you will be successful in your work and your life.

Anna Cura Orphanage Care Shelter

We are so grateful to God for His wonderful love and bountiful blessings for our Yangon Karen Baptist Care and Counseling Department. By the grace of God, we have got the opportunity to open the orphan care center "Anna Cura" on the 5th of May 2023. The name "Anna Cura" is a Latin name and it means "Graceful Care". It is located at Jerusalem Church Compound, Hmawbi Township. It is just a center built with bamboos; however, it really is a nice place to live.

There are altogether three staff (one male and two female). At present, we have eight students (three boys and five girls) at this center. Four of them are learning at Grade 5, one is at Grade 3, two are at Grade 2, and one is at K.G. class (at a house).

Their daily tasks are; getting up at half past five and have the morning devotion at 6 o'clock. After having breakfast, they go to school and come back home at 4:00 p.m. When they reach home, they have to do the evening works. After that, they take a bath, have their dinner and have the night devotion at 6:00 p.m. After the worship, they have to study until 9.30 p.m. Finally, they go to bed at 9.30 p.m.

Twice a month, we get the opportunity to visit the churches in Yangon Association and participate in the worship services there. In other weeks, we just participate at Jerusalem Church which is near the center. We are so glad for having the chance to cooperate with our Karen Baptist Convention Orphanage Committee. We really appreciate the supports from each of the donors, especially the encouragements and supports from K.B.C. Orphanage Care Committee. May the grace and mercy of our Lord be upon all of you.
